PU TECH 2011

Polyurethane Exhibition & Conference - India
9th to 11th Mar 2011, India Expo Centre, Greater Noida, New Delhi

Indian Polyurethane Association presents the third Polyurethane Exhibition & Conference in India - PU TECH 2011 during 9th - 11th March 2011 at India Expo Centre, Greater Noida (New Delhi), India.

Despite the recent global slowdown, the Indian PU Industry continues to register good growth rates since it primarily depends on India, SAARC and Middle East Markets. It is expected to double every five years and by 2018 India will be the 2nd largest market for polyurethane in Asia.

The PU TECH 2011 Exhibition and Conference, will bring together, raw material producers, equipment suppliers, end-users and the industry at large under one roof for a comprehensive growth of technology and markets.

The two day PU TECH 2011 Conference will highlight the developments in the Polyurethane Industry, Processing Techniques, Machinery, Raw Material Innovations and user preferences etc.

Attending the PU TECH 2011 Exhibition and Conference provides a unique opportunity for the user industry and technology players in polyurethane to enter and enlarge their presence in this exciting growing market.

Don't miss the opportunity...be part of PU TECH 2011.....

THE HIGHLIGHTS

3rd Event of Polyurethane Exhibition & Conference in India

Organized by Indian Polyurethane Association

3-day Technology & Products Exhibition, 2-day International Conference

Focus Industry - Construction, Cold Chain, Furniture / Bedding, Healthcare / Sports

State-of-the-art exhibition & conference infrastructure

International & national exhibitors, speakers and delegates

PU TECH 2011 will feature over 100 Exhibitors and 3500 Trade Visitors

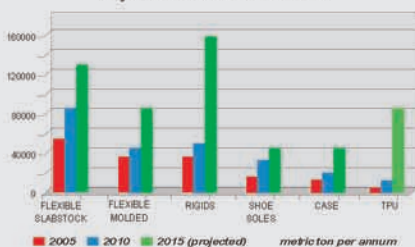

International Exhibitors from Europe, US, UK, Australia, China, Korea, Taiwan, Middle East...

THE CITY. THE VENUE.

India, a country with great historical past, a challenging present, and a dynamic future, is an enchanting experience for all its visitors. New Delhi, the Capital and the host city of PU TECH 2011, is one of the greenest capital cities of the world. This spirit of the city lies in its historical, architectural, floral and culinary delights. Visitors enjoy the highest level of traditional hospitality, at its many luxury hotels surrounded by the best heritage sites. Not far away from New Delhi is the breath-taking and majestic wonder of the world, the Taj Mahal. The International Airport is well connected with frequent flights to cities all over the world.

PU TECH 2011 will be held at the all new state-of-the-art venue 'India Expo Centre' at Greater Noida, New Delhi. This world class exhibition centre hosts a series of high quality National and International Trade Fairs. Its exhibition halls are complete with International quality infrastructure, making it a perfect choice of top class expos and conference.

Polyurethane in India - An Overview

On behalf of Indian Polyurethane Association, it is our pleasure to welcome you to the 3rd event of the Polyurethane Exhibition & Conference in India PU Tech 2011. This include a two day Conference and a three day Exhibition scheduled for 9th -11th March 2011 at the all new state-of-the-art venue 'India Expo Centre', Greater Noida, New Delhi.

PU TECH 2011 is a continuation of the immensely successful 1st and 2nd exhibitions held during November 2005 & March 2008 respectively. The 3rd event aims at providing an invaluable impetus to the technological developments and to increase and enhance the awareness about the latest technical possibilities for the safe, environmentally sound and efficient production of polyurethane based products. This major event will offer polyurethane processors in India and abroad a unique opportunity to meet and discuss their requirements with the representatives of world's major suppliers of raw materials, processing equipment and other services. We hope, with your continued support and patronage, PU TECH 2011 will be even more successful!

We look forward to welcome you personally at New Delhi.

Rahul Gautam **G Ramachandran** **Mukesh Bhuta** **Gian Jain** **K Ramamurthy**
Chairman - IPuA Vice Chairman - IPuA Vice Chairman - IPuA Treasurer - IPuA Secretary General - IPuA

IPuA will host the 2nd event of PU TECH GOLF (Indian Polyurethane Golf Tournament) The event provides an excellent opportunity to mix business with pleasure . To play at PU TECH GOLF, please contact admin@pu-tech.org or info@unitechexpo.com

More About the Venue

State-of-the-art India Expo Centre, a multi-functional venue, is a rare combination of technology merged with world-class facilities and safety standards. This centre offers world class facilities for a wide variety of events.

The venue is easily accessible from the centre of New Delhi on the new 6-lane Greater Noida Expressway (45 minutes by car).

A full range of accommodation is available within close proximity of the India Expo Centre, ranging from value for money guest houses to five star deluxe hotels. The distance between the Venue and New Delhi city is about 35kms, thus the choice of your stay can either be at New Delhi or Noida. Please consult the event's official Travel Service Agent for more details on hotel accommodation.

Venue Address:
India Expo Centre
India Exposition Mart Ltd
25-29, Knowledge Park - II
Greater Noida 201 306 India
About 45Km from New Delhi on Greater Noida Expressway

THE SPECIFICS

Event: 3rd Event of Polyurethane Exhibition & Conference in India.

PU TECH 2011

Organised by: Indian Polyurethane Association (IPuA)

Venue: India Expo Centre, Greater Noida, New Dehi, INDIA

Exhibition Dates: 9th -11th March 2011

Conference Dates: 9th -10th March 2011

Timings: 10.30 AM to 6.00 PM

Frequency: Once in 3 years

Next Event: PU TECH 2014

Last Event: PU TECH 2008

Exhibitors: 108 (70% International, 30% National Companies)

Trade Visitors: 2383 (278 International, 2105 National Visitors)

Papers Presented: 36 (International and National Speakers)

Delegates: 280 (International and National Delegates)

Admission: Free Entry with Registration & Visitor Badge. Entry to conference is chargeable.

Total Area: 6000 sqm

Total Exhibition Area: 3000 sqm

Expected No. of Trade Visitors: 3500

Exhibitor Profile: Polyol Producers, Isocyanate Producers, Polyurethane System Houses, Additives and Auxilliary Chemical Suppliers, Machinery Manufacturers, Processors of Polyurethane, Suppliers of Testing Equipment, Consultancy Services, Etc

Visitor Profile: Connected visitors from all parts of India, China, Pakistan, Nepal, Sri Lanka, Maldives, Male, Thailand , Malaysia, Singapore, Indonesia, Philippines, Bangladesh, Middle East, Africa & other countries..

Participation Charges:

Indian Exhibitors

Built-up Stand: Rs 9000 per sqm

Raw Space : Rs 8500 per sqm (min 36 sqm)

(Service Tax extra as applicable. Currently @ 10.30%)

Foreign Exhibitors :

Built-up Stand: USD 250 per sqm

Raw Space : USD 225 per sqm (min 24 sqm)

(Service Tax extra as applicable. Currently @ 10.30%)

Standard Shell Scheme Package (3m x 3m):

Stand Construction with White Laminated Panels for rear & dividing walls, Fascia Board with Company Name & Stand No., Carpet, One Information Counter / Table, Two Folding Chairs, Three Spotlights, One 15A Power Point, One Waste Basket

Raw Space Scheme Package:

Only marked area will be provided

Last Date for Booking / Application:

15th January 2011

The Indian Polyurethane Association is a non profit making organization founded for the development of polyurethanes in India. It is a Registered Society and has got members drawn from all sections of the Polyurethane Industry ranging from raw materials, processors, additive manufactures, seat & bedding manufacturers, equipment & auxiliaries suppliers.

The Mission of IPuA is:

To actively promote usage of polyurethanes in India by conducting Seminars / Technical Workshops to disseminate information on Technology / Markets

To maintain the highest standards for protection of the environment and safety in the Polyurethane Industry

To institute, encourage, develop and progress all kinds of scientific and economic research and development relating to Polyurethane Industry and allied products. Assist in education, training and manpower development

To promote the highest Ethical standards in the Polyurethane Industry

To effectively represent Polyurethane Industry point of view with the Union / State Governments and strive for an equitable / level playing fields

To interact with other Trade Bodies to build a fraternal bond between the Polyurethane industry and other industries
