PU TECH 2025 CONFERENCE

Technical Paper Presentation Schedule

9th April, 2025 – Day 1, Hall 1

12:30 PM TO 06:00 PM – CONFERENCE INTRODUCTION

Speaker Name
YingHao Liu

Subject
Accelerating sustainable transformation

Speaker Name
Joerg Palmersheim

Subject
Safe handling of diisocyanates

Speaker Name
Damir Andrasek

Subject
Enhancing flexible PU foam industry

Speaker Name
Sonal Rawat & Isha Saxena

Subject
Global trends on PU market with focus on south asia

Speaker Name
Cecilia Tang

Subject
Global PU demand and supply

Speaker Name
Sebastian Gisbertz

Subject
Advances in foam reaction control for flexible PU foam industry standards

10th April, 2025 – Day 2, Hall 1

10:40 AM TO 06:00 PM – RIGID FOAM

Speaker Name
Cecilia Girotti & Thomas Nesamani

Subject
High fire performance & enhanced thermal insulation for continuous panel production

Speaker Name
Stefano Verga

Subject
Energy saving in insulation

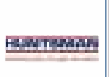

Speaker Name
Sagar Srivastava

Subject
PIR discontinuous line system developed for sophisticated panels

Speaker Name
Abdul Amanullah

Subject
Formulation with HFO1233zd(E) improving shelf life of blended polyol

Speaker Name
Ranadip Sarkar

Subject
Sustainable solutions for thermal and acoustic applications

Speaker Name
Robin Heedfeld

Subject
Additives to enhance performance in spray systems

Speaker Name
Mary Bogdan

Subject
Hydrocarbon blends for appliance market

Speaker Name
Michael Wang

Subject
Polyester polyols for rigid polyisocyanurate foam

Speaker Name
Kumar Sudamani

Subject
Enhancing energy efficiency in appliance industry

Speaker Name
Shibashish Ghosh

Subject
Process development and optimisation through simulation

PU TECH 2025 CONFERENCE

Technical Paper Presentation Schedule

10th April, 2025 – Day 2, Hall 2

10:40 AM TO 04:30 PM – SLABSTOCK FOAMS AND SUSTAINABILITY

Speaker Name
Niranjan Karak

Subject
Recycled polyols for the slabstock foam

Speaker Name
Jens Sassenhagen

Subject
Improve production reduce waste

Speaker Name
Angel Vinas

Subject
Integrating foam simulation, process data & quality to improve quality consistency & process efficiency

Speaker Name
Tommy Yun

Subject
BASF innovative solutions for e-mobility

Speaker Name
Michael Krebs

Subject
Reduce VOC in seats

Speaker Name
Neeraj Garg

Subject
Synthesis of fully bio-based polyols for sustainable, industrial applications

Speaker Name
Reigner Wenger

Subject
Market intelligence, supply chain & product management

Speaker Name
Brian Young

Subject
Innovation in the field of furniture, auto & composite applications

Speaker Name
Ninad S. Save

Subject
Nouvelle bio-polyol for flexible foam industry

Speaker Name
Bernard Dhillipraj

Subject
Recycled and bio polyol for the slab industry

10th April, 2025 – Day 2, Hall 3

10:30 AM TO 02:00 PM – SPECIALITY FOAMS

Speaker Name
Prasana Rao

Subject
Sustainable solutions for the packaging industry

Speaker Name
Mukesh Agarwal

Subject
Polyphenylene ether based polyol for elastomers

Speaker Name
Goffredo Tesca

Subject
RIM coating

Speaker Name
Gaurav Sachdeva

Subject
Innovative additive solutions for PU processing

Speaker Name
Shouhei Hayashi

Subject
Polyurethane dispersion adhesives innovation

Speaker Name
Seiki Murase

Subject
Automotive NVH

Speaker Name
Fabrizio Badolato

Subject
Optimisation of shoe sole systems
